Detailed description: The diagram shows a rectangular window with a title bar area at the top. Inside, there is a list of four items, each preceded by a label '205A' on the left. The first item is 'Emulation' in a box, followed by a radio button with a dot inside, and the text 'DISPLAY ON'. To its right is another radio button (empty) and the text 'DISPLAY OFF'. The second item is 'Feeder' in a box, followed by a radio button with a dot inside, and the text 'DISPLAY ON'. To its right is another radio button (empty) and the text 'DISPLAY OFF'. The third and fourth items are empty rectangular boxes, each followed by an empty radio button and the text 'DISPLAY ON', and to the right, another empty radio button and the text 'DISPLAY OFF'. Below these four items are two vertical ellipses (three dots) on each side. At the bottom of the window are two buttons: 'Submit' and 'CANCEL'. On the right side of the window is a vertical scrollbar with an upward-pointing triangle at the top, a shaded rectangular track, and a downward-pointing triangle at the bottom.
